Requesting permission from the City of DeFuniak Springs, Florida, to construct, operate, and maintain

Proposed Work Location: _____

1. Applicant declares that prior to filing this application he has ascertained the location of all existing utilities, both aerial and underground and the accurate locations are shown on the plans.

A letter of notification was mailed on _____ to the following utilities/affected parties: _____

2. It is expressly stipulated that this permit is a license for permissive use only and that the placing of facilities upon public property pursuant to this permit shall not operate to create or vest any property right in any said holder.
3. Whenever necessary for the construction, repair, improvement, maintenance, safe and efficient operation, alteration or relocation of all or any portion of said street or infrastructure as determined by the City of DeFuniak Springs, all said poles, wires, pipes, cables or facilities and appurtenances authorized thereunder, shall immediately be removed from said right of way or reset or relocated hereon as required by the City of DeFuniak Springs and at the expense of the permittee unless reimbursement is authorized.
4. All work, materials and equipment shall meet city standards and be subject to inspection by the city.
5. All city property shall be restored to its original condition as far as practical, in accordance with city specifications and in a manner satisfactory to the city.

6. All installations shall conform to the city's specifications in effect the day the permit is issued.
7. A drawing covering details of this installation shall be made part of this permit.
8. The permittee shall commence actual construction in good faith within **90 days**, and shall be completed in **120 days**.
9. The construction and maintenance of such utility shall not interfere with the property rights of a prior permittee.
10. Special conditions: _____

11. Special instructions: _____

12. It is understood and agreed that the rights and privileges herein set out are granted to the extent of the city's right, title, and interest in the land to be entered upon and used by the holder and the holder will at all times, assume all risk of and indemnify, defend, and save harmless the City of DeFuniak Springs against any and all loss, damage, cost or expense arising in any manner on account of the exercise or attempted exercises by said holder of the afore-said rights and privileges.
13. During construction, all safety regulations of the city shall be observed and the holder must take measures, including placing and display of safety devices that may be necessary in order to safely conduct the public through the project area in accordance with the city's regulations.
14. The City of DeFuniak Springs shall be notified twenty-four (24) hours prior to starting work and again immediately upon completion of work.
15. In case of noncompliance with the city's requirements, this permit is void and the facility will have to be brought into compliance or removed from the right of way at no cost to the city.
