Garbage Pickup Service Continues in DeFuniak Springs

No interruption to date in relation to COVID-19

DEFUNIAK SPRINGS, Fla. – Garbage pickup schedules in the City of DeFuniak Springs will continue as normal and are not affected at this time by the COVID-19 (coronavirus) outbreak.

Citizens are contacting City Hall to inquire about various services in light of the city council's recent declaration of a state of emergency in relation to the virus outbreak. City staff and officials want citizens to know that garbage pickup services are not yet affected by the state of emergency and that all pickup services will continue as normal.

The City of DeFuniak Springs will update this information and provide further announcements on its website at www.defuniaksprings.net and on the City of DeFuniak Springs Facebook page. The City is also working collaboratively with county public information officials each day to provide up-to-date information on the handling of the outbreak.
