Agenda Item Title: Return the Mayor to his former office

I offer a motion that the office previously occupied by the City Manager be designated as the Mayor's office, and that the mayor occupy the office within 10 calendar days of today.

Action Requested: the above motion

Background: about 4 years ago, the Council directed that the city manager should occupy the large office in the north east corner of City hall. The mayor was relegated to the smaller room assigned to the city manager. The new Charter provides for new roles and responsibilities of the Mayor. Passage of this motion will restore assignment of the mayor's office to its longstanding and traditional location of the corner office in the north east corner of City Hall.
