**Does this item require legal review?**  Yes  No **City Attorney E-Mail attached?**  Yes  No

**Time Required for Request: 6 minutes**

**Agenda Item Title: Failure to enact the will of the Council**

Subject: This is a request that all council members and the mayor prepare an inventory of action items they directed via motions passed (or thru council consensus) that were not accomplished. This council member has identified 3 motions I made in past 12 months for which no apparent action by the City Manager occurred. I request the other 4 council members and the mayor to review the motions they proposed, (and were passed), yet little or nothing occurred to implement the will of the Council. Please provide your list to the City Clerk by Wednesday March 3<sup>rd</sup> @ 10 AM. The list will be a topic in the March 8<sup>th</sup> Council meeting.

Likewise, if you made suggestions for improving city operations to the City Manager in other conversations/meeting, and if those suggestions gained no traction, yet remain relevant today, please include those on a 2<sup>nd</sup> list to the City Clerk by March 3<sup>rd</sup> @ 10 am. I had made numerous suggestions in my bi-weekly conversations with the city manager which remain relevant, though the position is now vacant. These included suggestions on transparency, citizen engagement, minority recruitment, and others. These suggestions will be a topic in the March 8<sup>th</sup> Council meeting.

By Council making your list for the two categories above, the City can be aware of stalled actions, and set priorities on the sequence which they should be addressed/activated.
